

Joint Coral and Habitat Protection Committees: Action Schedule for Tab N

Agenda Item IV: Final Draft of 5-year EFH Review

Timeline Status: Final Draft

Council Input and Next Steps: Staff will present an overview of the 5-year EFH review, emphasizing the elements that have been completed since August 2016 Council meeting. The Committee is requested to review the document and provide staff with any comments or edits that it would like incorporated into the document that will be submitted to NOAA. The EFH 5-year review is due by December 2016.

Agenda Item V: Scoping Draft for Coral HAPC Amendment 7

Timeline Status: Scoping

Council Input and Next Steps: The Committee will be presented with the scoping document outlining the Coral SSC/AP's recommended priority areas. Staff will outline the different actionable options that are included in the document. Staff will also present the Committee with the Reef Fish AP's motions regarding the document. The Committee is requested to make any changes it deems necessary or to approve the scoping document as is. Staff will take the scoping document to the public after the January Council meeting.

Agenda Item VI: Other Business

Timeline Status: Additional items that can be brought up for discussion, but no action can be taken since they have not been announced

Council Input and Next Steps: Additional items may be brought up for discussion by Committee members, time permitting. If the committee wishes to pursue action, then action can be scheduled at a future Council meeting.
