Gulf Council Schedules a Public Hearing on Charter Vessel and Headboat Reporting Requirements via Webinar

The Gulf of Mexico Fishery Management Council has scheduled a public hearing webinar to gather public comments on the Generic Charter Vessel and Headboat Reporting Requirements Amendment. The webinar will be held on Wednesday, September 28, 2016, beginning at 6 p.m. and ending no later than 9 p.m. EDT.

The meeting will begin with a presentation on the draft amendment which considers changing the method, frequency, and required data reported by for-hire operators with charter/headboat Reef Fish or Coastal Migratory Pelagic permits. Immediately following, staff will open the meeting for questions and take public comments.
