Gulf Council to Hold a Workshop to Discuss King Mackerel Gillnet Issues

The Gulf of Mexico Fishery Management Council will hold a workshop to discuss various king mackerel gillnet issues.

The workshop will take place at the Marriott Beachside Hotel, 3841 N. Roosevelt Boulevard in Key West and is scheduled for Monday, January 12, 2015, beginning at 9:00 a.m., concluding no later than 5:00 p.m.

On the agenda for discussion is an overview of king mackerel gillnet issues and suggested gillnet management options, such as trip limit increases, gear modifications, and catch shares.

To access meeting materials visit <https://public.gulfcouncil.org:5001/webman/index.cgi>, or go to the Council's website (<http://www.gulfcouncil.org>) and click on the FTP link in the lower left column of our home page. The username and password are both "gulfguest". Simply navigate to the "King Mackerel Gillnet Working Group meeting - 2015 - 01" folder.

This meeting is open to the public and will be streamed live over the internet via webinar. To register for the webinar click here -

About the Gulf of Mexico Fishery Management Council

The Gulf of Mexico Fishery Management Council is one of eight regional Fishery Management Councils established by the Fishery Conservation and Management Act of 1976. The Council prepares fishery management plans, which are designed to manage fishery resources within the 200-mile limit of the Gulf of Mexico.
