## Gulf Council Hosts a Public Hearing Webinar to Gather Input on Modifications to the Commercial Individual Fishing Quota Program

The Gulf of Mexico Fishery Management Council will host a webinar to gather public comments on Reef Fish Amendment 36A, which considers modifying the commercial individual fishing quota program. The Council is considering actions to improve program compliance, address non-activated accounts, and authority to retain annual allocation before a quota reduction.

For draft documents and other learning materials, visit our scoping through implementation page: <a href="http://tinyurl.com/public-materials">http://tinyurl.com/public-materials</a>.

The webinar public hearing will begin at 6:00 p.m EST on Wednesday, March 22, 2017.
