Meeting Notice
March 7, 2016

Gulf Council to Convene a Joint Spiny Lobster Review Panel Meeting

The Gulf of Mexico and South Atlantic Fishery Management Councils will convene a joint webinar meeting of the Spiny Lobster Review Panel.

The Panel will review the 2014-2015 spiny lobster landings, the 2014-2015 annual catch target overage and the 2015 Spiny Lobster Review Panel Report. The review panel will also look at landings, effort, projections, and commercial reporting requirements for spiny lobster.

The webinar will convene Monday, March 28, 2016, from 10:0 am - noon. To register for the webinar, visit - <https://attendee.gotowebinar.com/register/6852168931907017731>

About the Gulf of Mexico Fishery Management Council

The Gulf of Mexico Fishery Management Council is one of eight regional Fishery Management Councils established by the Fishery Conservation and Management Act of 1976. The Council prepares fishery management plans, which are designed to manage fishery resources within the 200-mile limit of the Gulf of Mexico.

Submit comments and stay updated on fishery issues:

Check it out! Go to www.gulfcouncil.org and click on the thermometer in the middle of the page. From there you can read up on all the pending actions, watch the video presentations, read comments, and submit comments. All comments submitted through the online form are automatically posted on our web site for Council review. Other comments are manually posted every couple of days.
